

## ASSAI Program

The ASSAI program offers high quality after school programming using strength based, enriching and fun experiences in art and movement. Community members and their expertise are utilized to facilitate these sessions within the school. These programs are offered at NO COST to the students and are open to all students. The program is designed to remove financial, transportation, cultural, family and behavioral barriers.

## Early Years Evaluation (EYE)

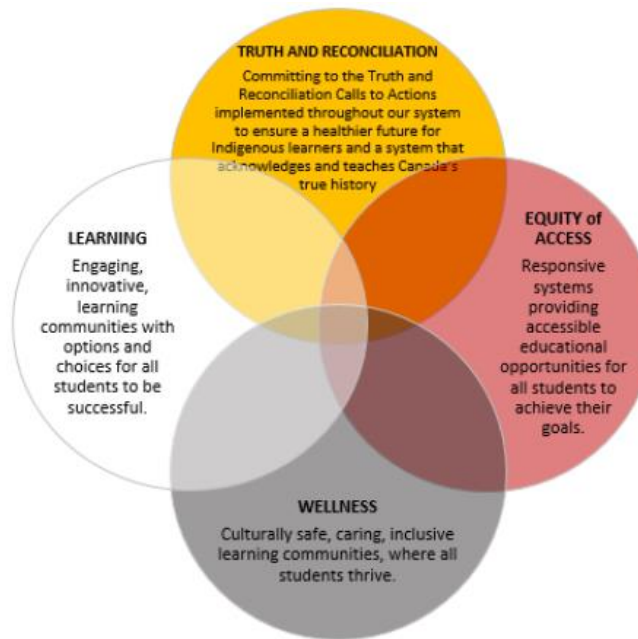

SD57 is committed to providing quality, equitable, and inclusive Early Learning experiences and opportunities for young children and their families. SD57 has 15 StrongStart locations. StrongStart is a free school-based early learning program for children ages 0-5 and their parents/caregivers.

## Fine Arts Education

A wide variety of new experiences are offered to students through Fine Arts Education. They will explore their creative side in music, dance, drama, and visual arts.

## Physical Literacy

School District 57 is committed to the journey of physical literacy in our students. Physical literacy is a lifelong journey in the development of Fundamental Movement Skills (FMS) that will give students the competence, confidence, and motivation to be active for life. In partnership with all members of our learning community, we endeavor to embed inclusive, equitable, and respectful programming into all aspects of school life by providing Educators the resources and confidence to be champions of physical literacy.

## Direction to Strategic Plan

At School District No. 57, we are focused on 4 different directions to provide the best for our students. These involve Truth and Reconciliation, Equity, Wellness, and Learning.

“Learning that Enriches the Life of  
Each Student”

# ABOUT US

---

## WHO WE ARE

The Curriculum Innovation Department provides support and resources for initiatives to improve student achievement as outlined in the District Plan for Student Success and District Strategic Plan.

## OUR VISION

All students are prepared for each step of their life's journey with the skills, knowledge, options, and choices to be successful.

## OUR MISSION

Through innovation, high standards and culturally responsive care, we nurture and empower all students where they are to be proud, confident, and engaged lifelong learners.
