Kelsey MacDonald and I would like to invite you to join us for a summer solstice celebration on Monday June 13th.

Kelsey MacDonald and Dawn Bast are members of the provincial association called EEPsA, that provides tonnes of ProD, support, funding, and resources for taking learning outdoors. Classroom to communities puts on a summer solstice celebration every year on the mainland and we thought we would do the same up here!

We will be meeting at [Shane Lake](#), in Forests for the World, by the picnic shelter and fire pit area at 4-6 pm. We will have snacks available for our guests. If the weather is torrential rain and stormy We will send out an email to those who have RSVPed to us as we have a secondary indoor spot planned.

Come and hear what the amazing Julie Fisher has to share with us along with a lineup of outdoor educators from across our district. Come and be inspired! Door prizes and info about EEPsA membership will be included in our event.

RSVP to dbast@sd57.bc.ca for yourself and any guests you plan to bring so we can plan accordingly. RSVP deadline is Friday June 10th - Feel free to pass this along to others.
