LATEST UPDATES

MyBlueprint.ca Education Planner Sessions at Spring Fling on April 29!

Check out these sessions MyBlueprint is offering:

10:30am - 12:00pm (online):

[Supporting Career Education and Transitions with MyBlueprint \(Grades 7-9\)](#)

This session will include:

- An introduction to the features in myBlueprint that can help make Career Education accessible and meaningful for this age group.
- A demonstration of the integration of the Goals feature, Who Am I assessment suite, and Occupations database with the Portfolios tool will be highlighted.
- A special focus will be placed on how these features can support student transitions from grade-to-grade.
- Participants will have built-in exploration time to put their learning into practice.

1:00pm - 2:30pm (online):

[Wait, myBlueprint isn't just for career education? An Introduction to myBlueprint for all subjects](#)

This session will include:

- A demo of the student account features in Education Planner that support documenting and assessing student growth, such as the Goals and Portfolio features, and the features that support student exploration of self, such as myBlueprint's suite of Who Am I surveys.
- A focus will be on complementing your existing classroom practices and extending your repertoire with a platform that you and all your students have access to through your district.
- Participants will have built-in exploration time to put their learning into practice.

Grade 8 SNAP Training Session – April 14th from 3:15pm to 3:45pm

SNAP (Student Numeracy Assessment and Practice) is a student friendly assessment and teaching tool that enhances any balanced math program. Using SNAP supports students' use of math curricular competencies and provides teachers data to guide and inform instruction.

This virtual session presented by Jennifer Dionne provides an overview of SNAP for Grade 8 teachers and explores previously completed SNAP templates.

Please register on [PDReg](#) and join the [Teams meeting](#).

Benchmark Assessment Training Sessions

Join Nancy Reid, Literacy Resource Teacher, to learn how to use the Benchmark Assessment System (BAS). All sessions will take place online via Teams. Please register for **one** of the following days on [PD Reg](#):

April 12, 2022 3:15pm - 5:00pm (repeat of previous sessions)

April 26, 2022 3:15pm - 5:00pm (repeat of previous sessions)

Asynchronous sessions are also available on the [SD57 Curriculum Hub Assessment page](#). You will find the link under the "Interval" heading.

Artists in the Classroom – Applications are now open until May 25!

Artists in the Classroom grants bring professional artists into schools for rich learning experiences.

Artists, Teachers, Principals and PAC Representatives can apply for Artists in the Classroom (AIC) Grants to bring professional artists into the classrooms. Through AIC, artists and educators collaborate to expand the role of arts in education and activate learning for young people across BC. AIC Grants support projects in schools across BC that demonstrate artistic impact, strong curricular connections, high levels of student engagement and an active partnership between educators and professional artists.

Artists in the Classroom grants are disbursed by ArtStarts in Schools through a partnership agreement with BC Arts Council and funded by the Province of British Columbia.

Projects must take place during the 2022-2023 School Year. See details and apply if interested: <https://artstarts.com/aic>
